**WINNER 2024**

We are proud to announce that CDZ VINI SRL has received the Visionary Enterprise Award 2024 for the Province of Asti, in the Medium Business category, Agriculture Sector. This award recognizes the excellence, strategic vision, and constant commitment of the company in the entrepreneurial landscape.

The Visionary Enterprise Award, presented in collaboration with the Academic Institute of Entrepreneurial Sciences and the Economic-Scientific Research Institute I-AER, with media partnership from Il Sole 24 Ore, is an honor reserved for businesses that stand out for vision, innovation, and significant contribution to the economic development of the region.

## A Commendation Based on Scientific Analysis

This award is the result of an in-depth analysis conducted by the I-AER Institute, which examined the 2022 financial statements of over 700,000 Italian companies, identifying the most virtuous and resilient by province, size, and sector. This scientific selection, guided by a state-of-the-art algorithm, recognized CDZ VINI SRL for its ability to successfully face the challenges of the post-Covid-19 market, excelling in terms of competitiveness, productivity, and business sustainability.

## A Strategic Vision Focused on the Future

CDZ VINI SRL has demonstrated a strong capacity for adaptation and innovation, fundamental characteristics that have made it a virtuous example in the agricultural sector. This award not only celebrates the success achieved but also serves as an incentive to continue innovating and growing, contributing to the economic development and enhancement of our region.

Congratulations to the entire CDZ VINI SRL team for this prestigious recognition, which acknowledges the value and dedication shown.
